

February 2024

Get ready for GOODness in Summit County. The first week of April, we are celebrating our 14th Anniversary of GOODness Grows Week. We believe that one good deed leads to another, and we invite you to join us creating goodness around Summit County.

SCY (Summit County Youth) is a local non-profit organization that provides free programming for K-12th grade students to liveBIGGER and loveBETTER. SCY offers free programming to keep students connected through weekly meetings, mentoring breakfasts, and many offsite adventures including: bowling nights, cookouts, sledding parties, Halloween carnival, 4th of July parade, escape room outings, summer camps, and service projects.

l i v e LOCAL support LOCAL

There are many good causes to support in our world today. Please consider continuing to support GOODness on a local level. Contributing to SCY each year keeps our programs running and allows us to be a safe place for students to 'beKNOWN, beLOVED & Belong.'

Celebrating
14 years of
GOODness!

Join
GOODness
Grows!

Please consider partnering with SCY to spread GOODness!

Will you consider making a contribution this year? Please view the attached explanation of the different levels of sponsorship for our 2024 GOODness Grows Week. SCY will once again display a banner over Main Street, Breckenridge featuring our top-level sponsors, and run a media campaign about how GOODness Grows. Simply return the sponsorship pledge form (attached) via email to holly.busnardo@yahoo.com **by February 29th**.

Thank you for joining us as we empower the youth of Summit County to become architects of GOODness as they discover how to liveBIGGER and loveBETTER in their own community!

Gratefully,

Holly Busnardo
