

Celebrating 14 years of GOODness

April 1 - 7, 2024

Powered By:

GOODness Grows When....

We play with friends. Dave - age 43

We nurture our own needs and then are able to attend to the needs of others, with love and kindness. Kerry - Teacher

I get to sled with my friends. Kindergartner

You water it with love. Aaron - age 45

It is shared. Teacher

You are kind to everybody. 4th grader

I don't hurry, but rather accept the moment at hand, and embrace the people in it. Tony - age 45

Laughter is shared. Jackie - Teacher

When we smile. Kelly - age 39

People dance. 4th grader

We know our neighbors. Dawn - age 67

We appreciate and acknowledge out loud the goodness in others. Susan - Teacher

Daily Goodness Missions:

Make-It Monday: Make someone's day! Get creative, bake cookies, make someone dinner, create a bracelet, draw a picture. Also, feel free to join us at BCM (103 Sawmill Rd) at 6pm for dinner and creative stations to make gifts for Summit County's first responders.

Teacher Tuesday: Show gratitude to your teacher, your coach, or a mentor in your life. Bring them a special treat, a homemade card, or other little way to add goodness to their day.

We Give Wednesday: Check out needs of our local non-profits and help pack food at Smart Bellies, or the FIRC. Find local non-profit needs at summitfoundation.org

Thank You Thursday: Write a note of thanks to a friend, or family member. Send a letter in the mail to a grandparent, cousin, or far away friend.

Film Friday: Join us for the documentary film *Dreama Team* that follows Dreama Walton's journey as an every day mom to a competitor in America's biggest 100-mile running race. Free showing is at 6pm at BCM (103 Sawmill Rd).

Say It Saturday: Say something nice to a friend or family member via text, phone call, or Facetime. Stay connected and let people know you are thinking of them.

Service Sunday: Come up with your very own GOODness mission to give back to your community. Donate items to the local food banks, volunteer, shovel a neighbor's walkway.

Any questions, contact Holly at 970-389-4374

What is GOODness Grows?

We believe goodness grows, and that one good deed leads to another. GOODness Grows is a week-long event from April 1 - 7. Each day the community is challenged with GOODness missions to carry out. Please join us in acts of goodness to spread kindness and joy across Summit County and beyond.
